Royal baby news: It's a boy!

🕒 24 April 2018

The Duchess of Cambridge has given birth to a baby boy!

The new Prince, who hasn't yet been given a name, was born on Monday.

The new baby prince was born at 11.01 that morning and weighed 8lbs 7oz. Kensington Palace has said: "Her Royal Highness and her child are both doing well."

"The Queen, the Duke of Edinburgh, the Prince of Wales, the Duchess of Cornwall, Prince Harry and members of both families have been informed and are delighted with the news."

The baby is fifth in line to the throne - behind Prince Charles, Prince William, Prince George and Princess Charlotte - and is now the Queen's sixth great-grandchild.

Congratulations to the Duke and Duchess of Cambridge!
